Attachment A to  
IAC-D-45/12  
Revision 6 of Part I, Tab A  
15 October 1956

MEMORANDUM FOR : Secretary, Intelligence Advisory Committee  
FROM : Chairman, NIS Committee  
SUBJECT : Proposed Revisions of Part I, Tab A,  
of IAC-D-45/12 (Revision 5) dated  
15 September 1955

1. For production purposes the NIS Committee has found it necessary to divide some NIS Areas to treat with special situations within these areas, and to apply new segmented area designations to the various segments. Some of the areas listed in Part I, Tab A, of IAC-D-45/12 (Revision 5) are affected, which necessitates its revision to bring it into conformity with the new area designations.

3. In view of these considerations the NIS Committee recommends that the Intelligence Advisory Committee approve amendment of Part I, Tab A, of IAC-D-45/12 (Revision 5) dated 15 September 1955, as set forth in the attachment hereto.
